

Bravo Target Safety Proudly Sponsors 2024 Enserva STARS & SPURS Gala

Event raised \$1.6 million for non-profit helicopter air ambulance organization

Calgary, April 9, 2024 – Bravo Target Safety (Bravo), a national leader in industrial safety services, today announced the fundraising results of the Enserva STARS & SPURS Gala, where Bravo sponsored the Indigenous Entertainment program.

This year's event raised \$1.6 million for Shock Trauma Air Rescue Service (STARS), a non-profit helicopter air ambulance organization.

Enserva is a national trade organization representing Canada's energy services, supply and manufacturing sectors.

"The Enserva/STARS partnership is pretty unique," says Kevin O'Brien, CEO, Bravo Target Safety and Director of Community Outreach, Enserva. "We count on them to care for our workers in remote areas and they count on us for financial support. I think we can all be proud of our efforts this year. The Bravo team was particularly pleased to sponsor the Indigenous Entertainment program, which was a great opportunity to appreciate First Nations' arts and culture."
